

MetricMind Overview

AI-powered Semantic BI Engine for modern enterprises.

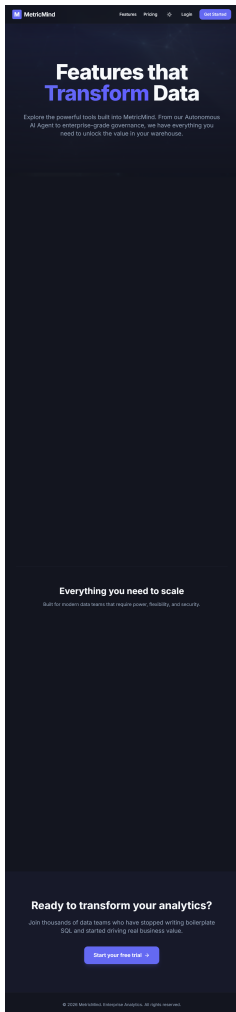

Key Points

- MetricMind turns natural language questions into governed analytics.
- It connects the AI agent to your data warehouse without exposing raw SQL.

Why MetricMind Matters

How it helps every sector.

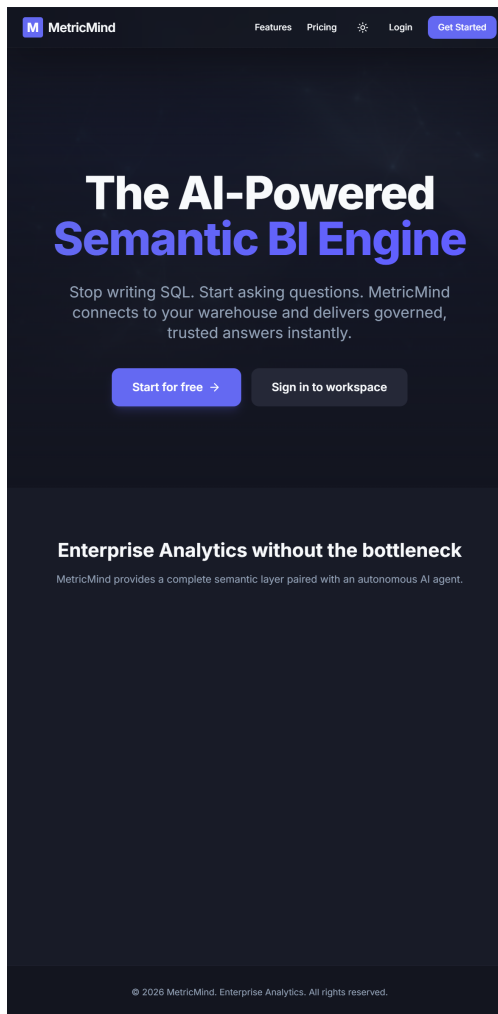

Key Points

- Finance: Accurate revenue forecasts and expense analysis.
- Sales: Faster pipeline reporting and churn risk detection.
- Marketing: Campaign ROI, conversion insights, and audience metrics.
- Operations: Data catalog governance and warehouse control.

Landing Page

First impression & product positioning.

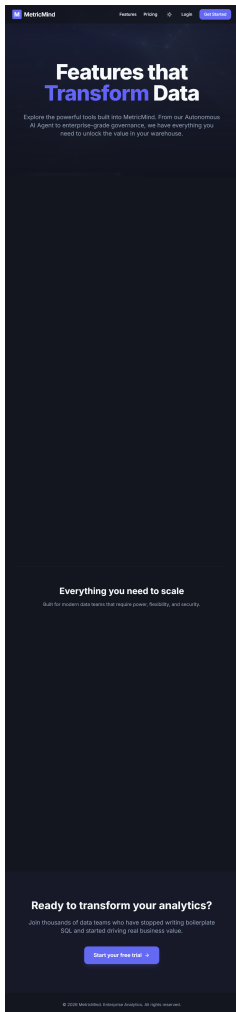

Key Points

- Hero section explains AI-powered semantic analytics.
- Calls to action: Start free, sign in, and feature navigation.

Features Page

Showcases core capabilities.

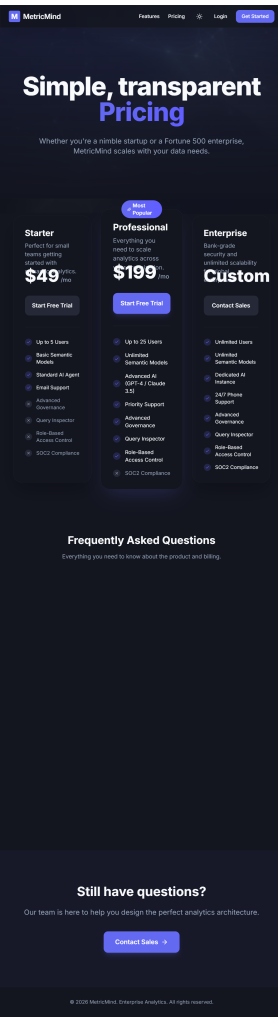

Key Points

- Explains autonomous AI, governance, dashboards, and security.
- Helps buyers understand what MetricMind offers.

Pricing Page

Plans for startups to enterprise.

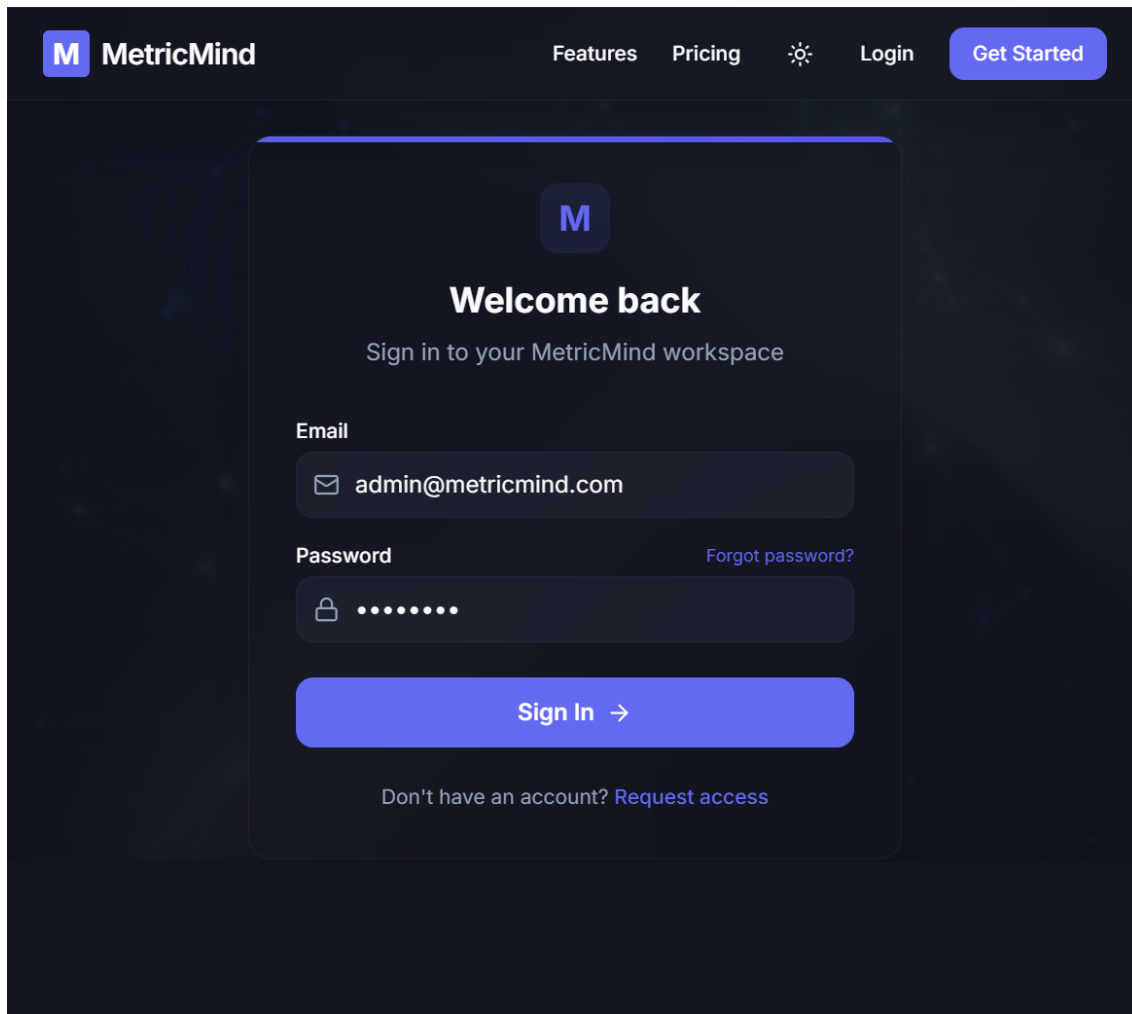

Key Points

- Clear pricing tiers with feature comparisons.
- Supports decision-making for buyers and stakeholders.

Login Page

Access the protected workspace.

The image shows a login page for MetricMind. At the top, there is a dark blue header with the MetricMind logo (a blue square with a white 'M') and the text 'MetricMind'. To the right of the logo are links for 'Features', 'Pricing', a settings icon, 'Login', and a blue button labeled 'Get Started'. The main content area has a dark blue background with a central white box. Inside this box, there is a blue square with a white 'M' logo, followed by the text 'Welcome back' and 'Sign in to your MetricMind workspace'. Below this, there are two input fields: 'Email' with the value 'admin@metricmind.com' and 'Password' with masked characters. To the right of the password field is a link 'Forgot password?'. Below the input fields is a blue button labeled 'Sign In →'. At the bottom of the white box, there is a link 'Don't have an account? Request access'.

Key Points

- Registration form collects user profile and credentials.
- Includes navigation back to login for returning users.

Executive Dashboard

Top-level business health overview.

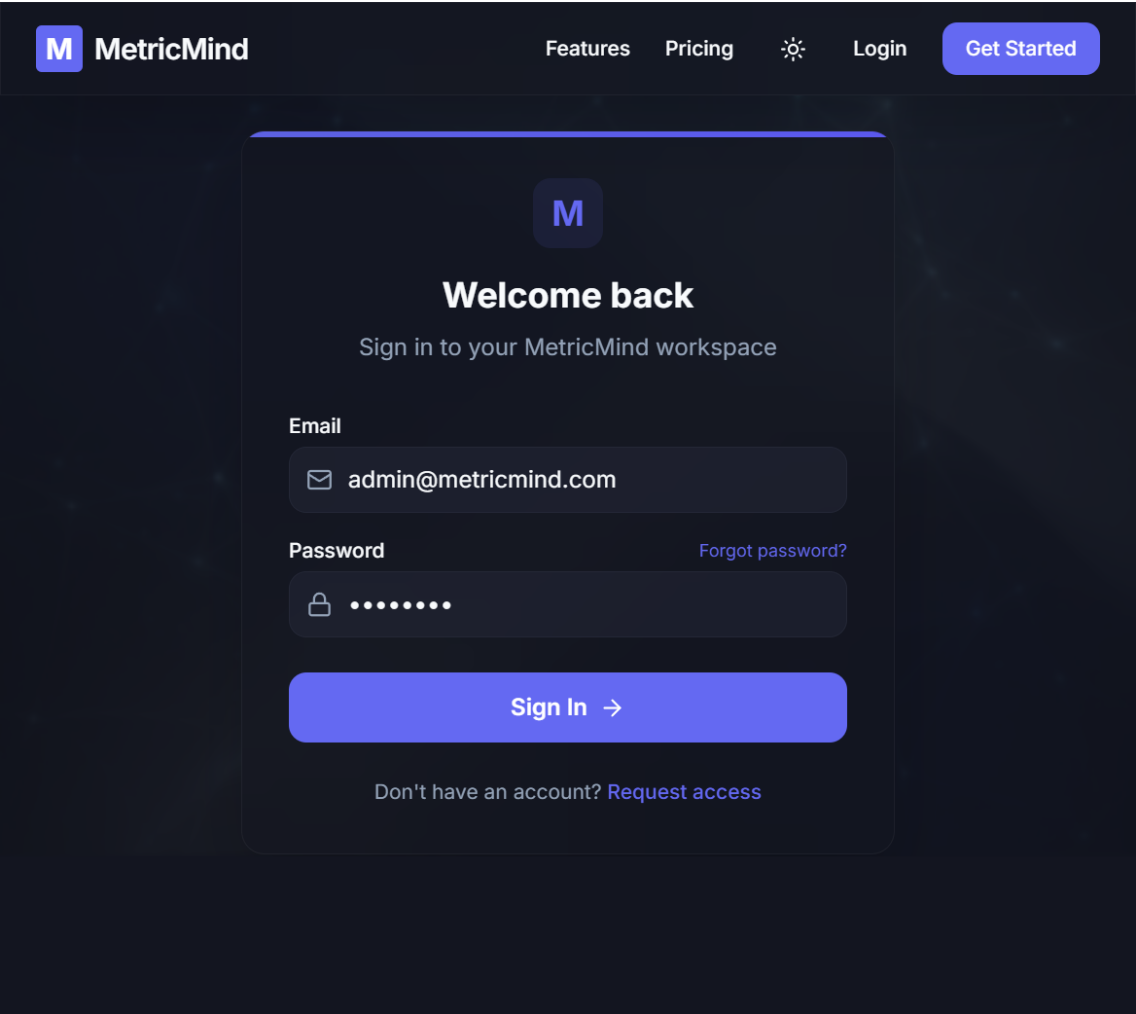

Key Points

- KPI cards show revenue, orders, and customer metrics.
- Charts display revenue and profit trends for executives.

Revenue Dashboard

Detailed revenue analytics.

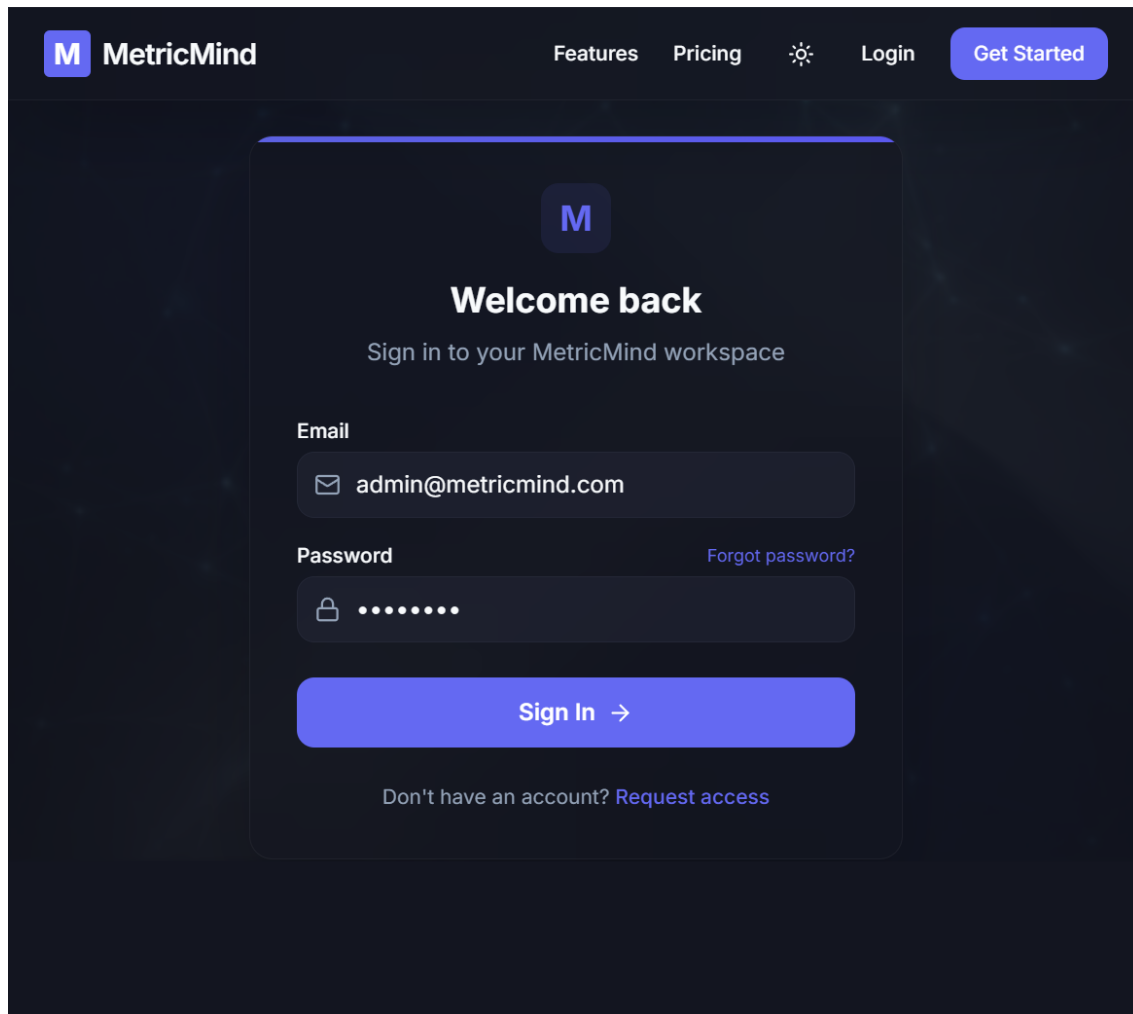

Key Points

- Shows revenue and gross margin with a revenue growth chart.
- Includes filters and summary metrics for business decisions.

AI Chat Page

Natural language analytics.

The image shows a dark-themed login page for MetricMind. At the top, there is a navigation bar with the MetricMind logo (a blue square with a white 'M') and the text 'MetricMind'. To the right of the logo are links for 'Features', 'Pricing', a settings icon, 'Login', and a blue 'Get Started' button. The main content area features a central white card with a blue 'M' logo at the top. Below the logo, the text 'Welcome back' is displayed in bold, followed by 'Sign in to your MetricMind workspace'. There are two input fields: 'Email' with a placeholder 'admin@metricmind.com' and a password field with masked characters. A 'Forgot password?' link is next to the password field. A blue 'Sign In →' button is below the inputs. At the bottom of the card, it says 'Don't have an account? Request access'.

Key Points

- Users ask business questions and receive AI-generated insights.
- Includes chat history and suggested queries for quick use.

Custom Dashboard Builder

Personalized analytics workspace.

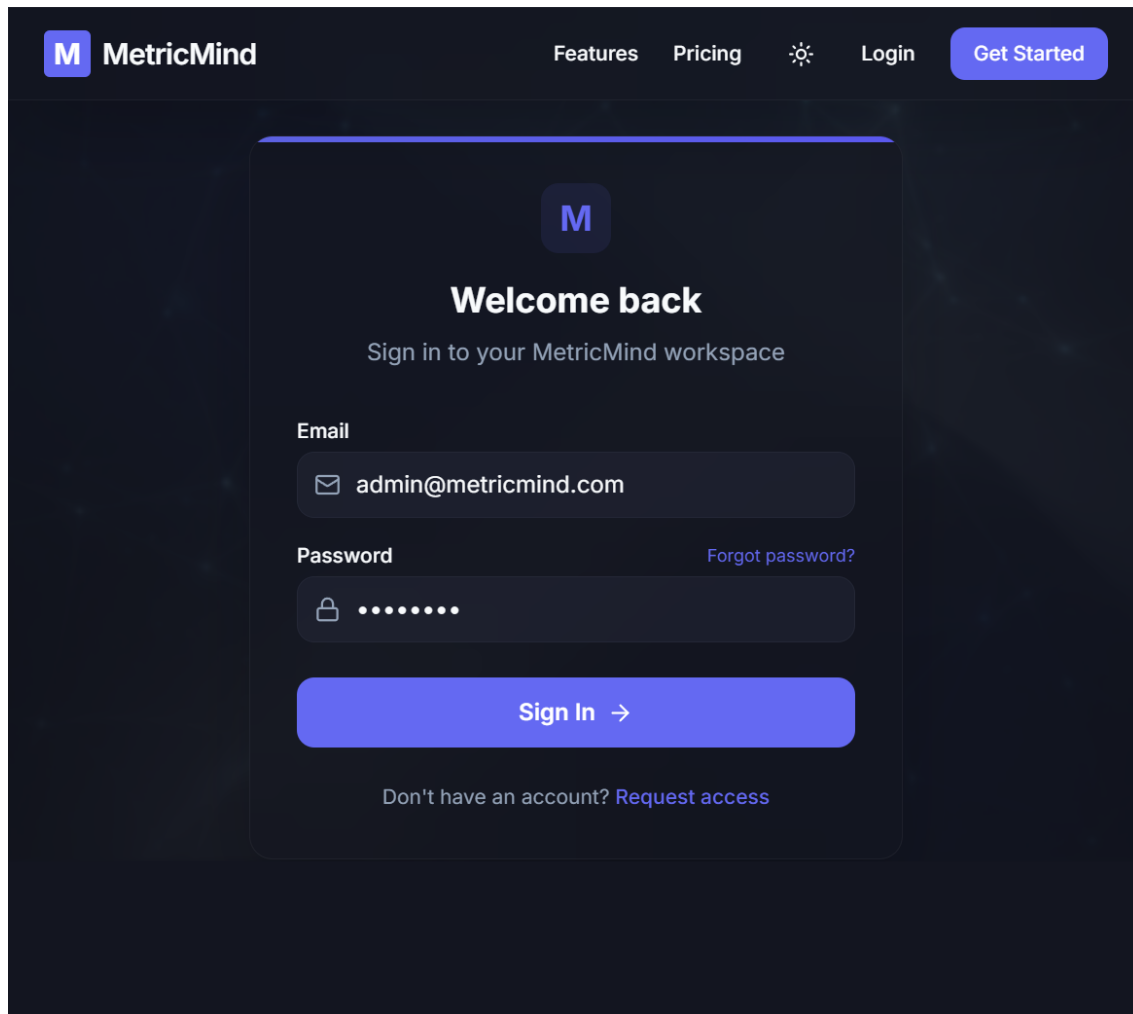

The image shows a login page for 'MetricMind'. At the top, there is a dark blue header with the 'MetricMind' logo on the left, and links for 'Features', 'Pricing', a settings icon, 'Login', and a 'Get Started' button on the right. The main content area is a dark blue card with a white 'M' logo at the top. Below the logo, it says 'Welcome back' and 'Sign in to your MetricMind workspace'. There are two input fields: 'Email' with the value 'admin@metricmind.com' and 'Password' with masked characters. A 'Forgot password?' link is next to the password field. A large blue 'Sign In' button with a right arrow is below the fields. At the bottom, it says 'Don't have an account? Request access'.

Key Points

- Add and arrange widgets for custom KPI views.
- Supports multiple chart types and saved layouts.

Report Center

Export and manage business reports.

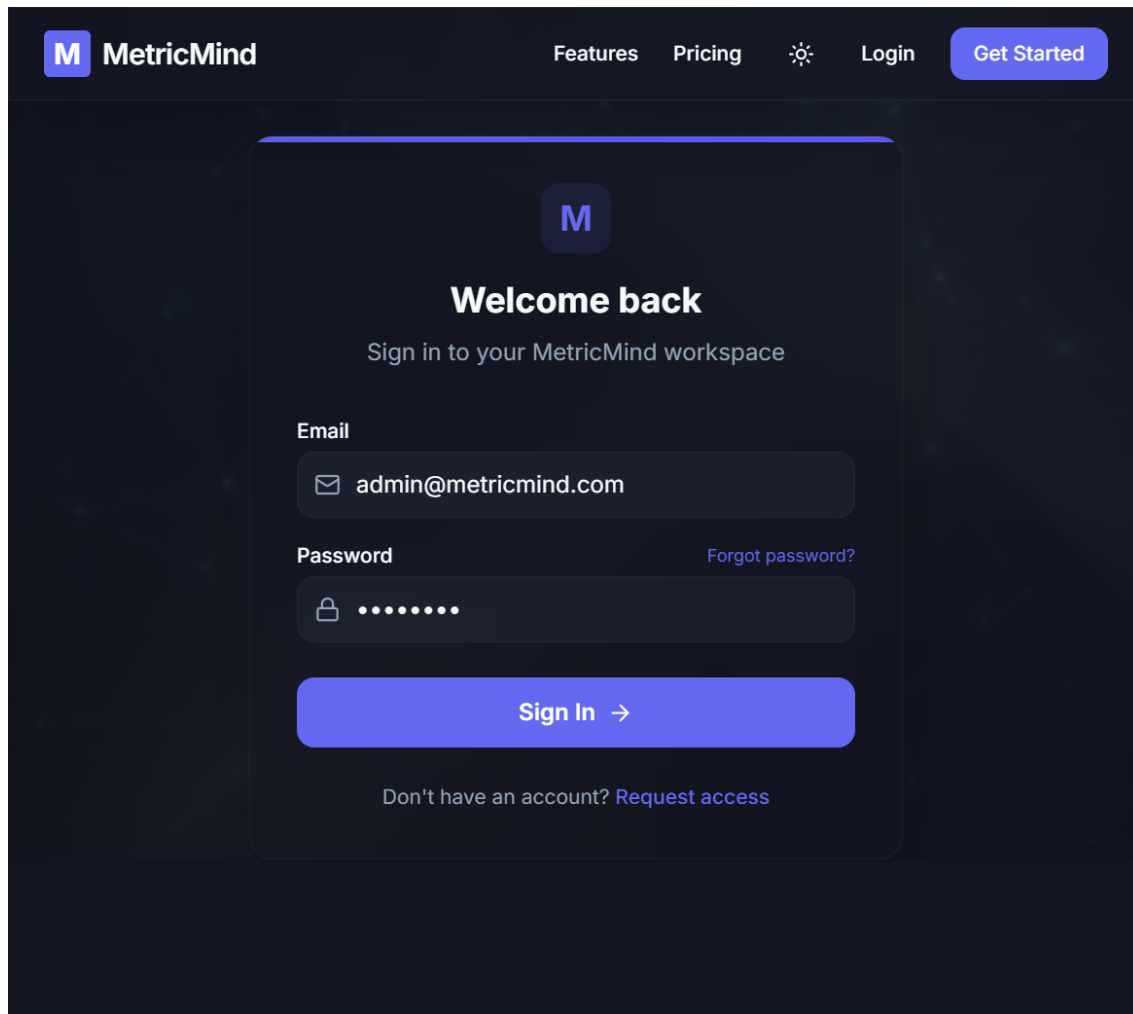

The image shows a login page for MetricMind. At the top, there is a navigation bar with the MetricMind logo (a blue square with a white 'M') and the text 'MetricMind'. To the right of the logo are links for 'Features', 'Pricing', a settings icon, 'Login', and a blue 'Get Started' button. The main content area has a dark background. In the center, there is a white-bordered box with a dark background. Inside this box, at the top, is a blue square with a white 'M'. Below this is the text 'Welcome back' in white, followed by 'Sign in to your MetricMind workspace' in a smaller white font. There are two input fields: 'Email' with a placeholder 'admin@metricmind.com' and 'Password' with a placeholder of seven dots. To the right of the password field is a link 'Forgot password?'. Below the input fields is a blue 'Sign In →' button. At the bottom of the box, there is a link 'Don't have an account? Request access'.

Key Points

- Create, export, and schedule reports in PDF, Excel, or CSV.
- Tracks report views and categories for easy access.

Data Catalog

Governed metric glossary.

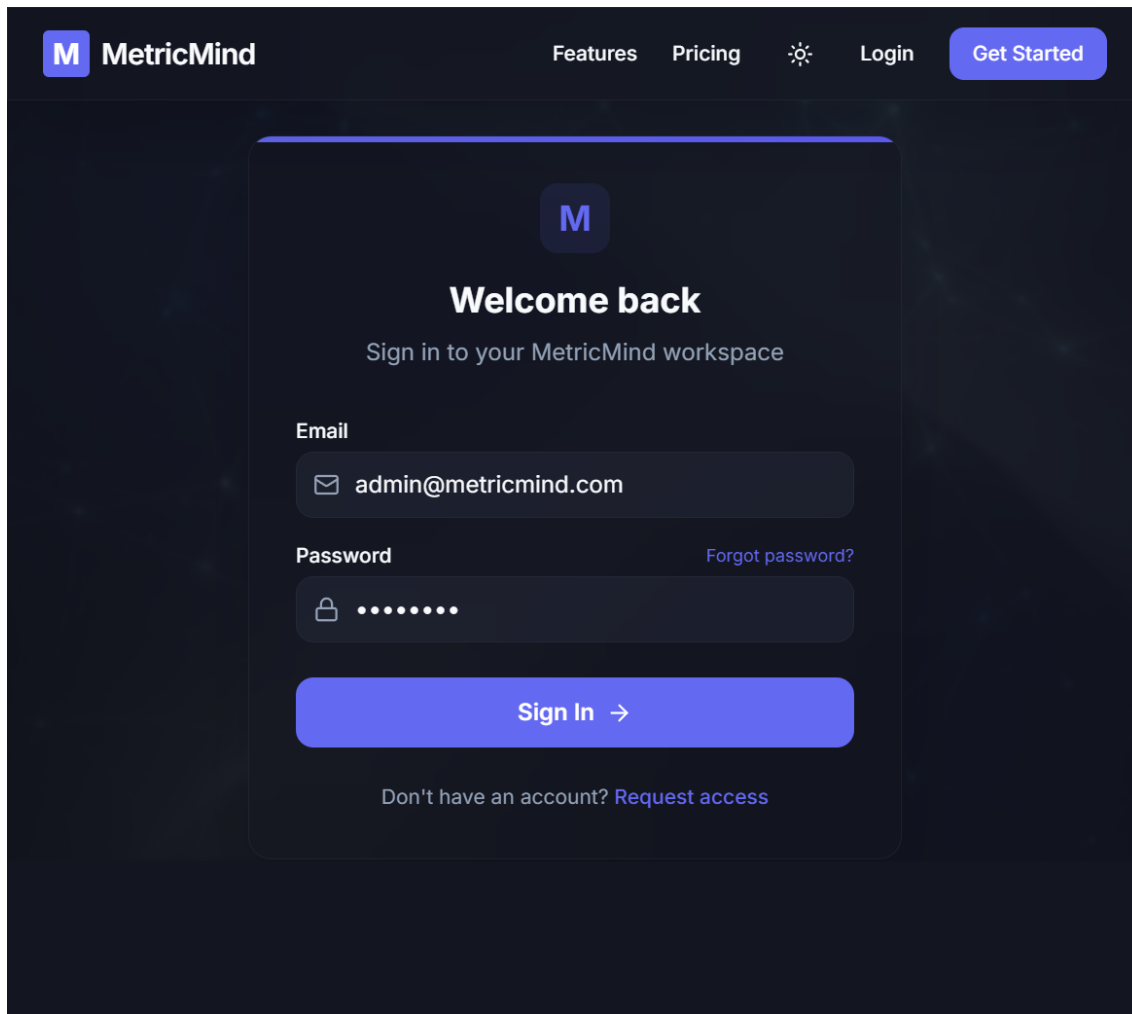

The image shows a login page for MetricMind. At the top, there is a dark blue header with the MetricMind logo (a blue square with a white 'M') and the text 'MetricMind'. To the right of the logo are links for 'Features', 'Pricing', a settings icon, 'Login', and a blue 'Get Started' button. The main content area has a dark blue background with a central white box. Inside this box, there is a blue square with a white 'M' logo, followed by the text 'Welcome back' and 'Sign in to your MetricMind workspace'. Below this, there are two input fields: 'Email' with the value 'admin@metricmind.com' and 'Password' with a masked password '.....'. To the right of the password field is a link 'Forgot password?'. Below the input fields is a blue 'Sign In →' button. At the bottom of the white box, there is a link 'Don't have an account? Request access'.

Key Points

- Search business metrics, formulas, dimensions, and owners.
- Ensures users understand definitions and trust the data.

Query Inspector

Transparency for AI-generated SQL.

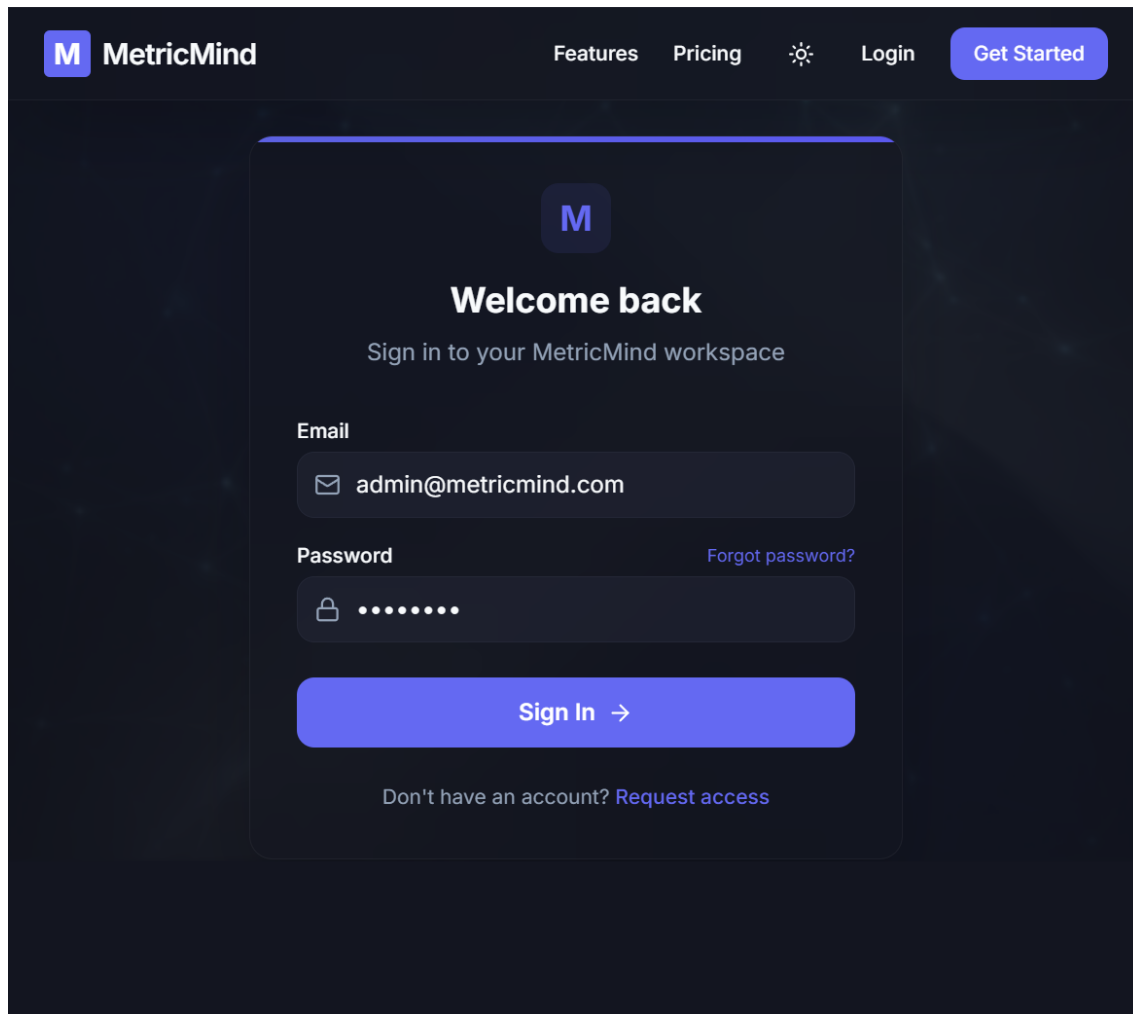

The image shows a dark-themed login page for MetricMind. At the top, there is a navigation bar with the MetricMind logo (a blue square with a white 'M') and the text 'MetricMind'. To the right of the logo are links for 'Features', 'Pricing', a settings icon, 'Login', and a blue 'Get Started' button. The main content area features a central white card with a blue 'M' logo at the top. Below the logo, the text 'Welcome back' is displayed in bold, followed by 'Sign in to your MetricMind workspace'. There are two input fields: 'Email' with a placeholder 'admin@metricmind.com' and a password field with masked characters. A 'Forgot password?' link is next to the password field. A blue 'Sign In →' button is positioned below the inputs. At the bottom of the card, it says 'Don't have an account? Request access'.

Key Points

- Shows the exact SQL produced by the semantic engine.
- Helps auditors and analysts validate query correctness.

User Profile

User settings and activity.

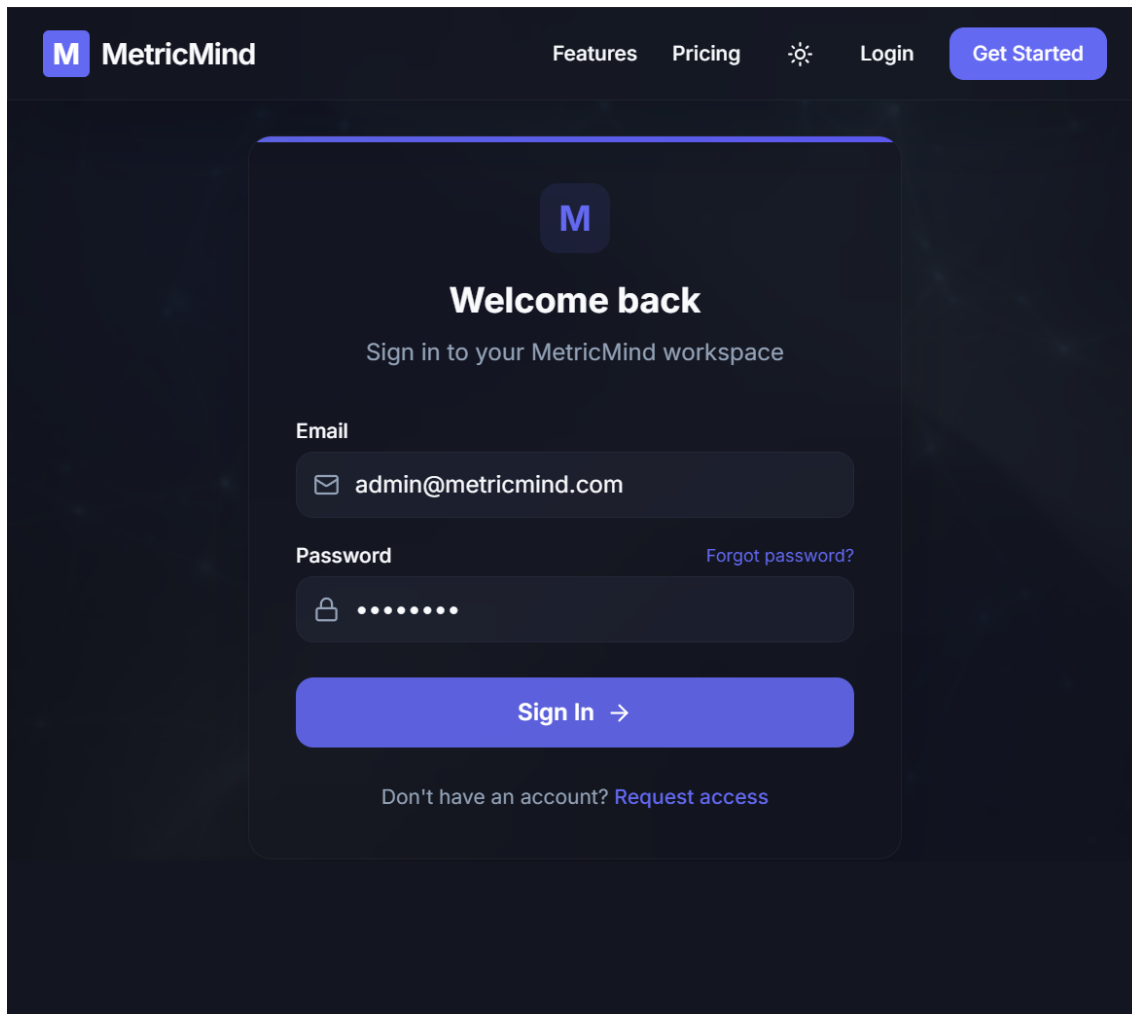

The image shows a login page for MetricMind. At the top, there is a dark blue header with the MetricMind logo (a blue square with a white 'M') on the left, and navigation links for 'Features', 'Pricing', a settings icon, 'Login', and a 'Get Started' button on the right. The main content area has a dark blue background with a central white card. The card contains a blue square with a white 'M' logo, the text 'Welcome back', and 'Sign in to your MetricMind workspace'. Below this are two input fields: 'Email' with the value 'admin@metricmind.com' and 'Password' with masked characters. A 'Forgot password?' link is next to the password field. A large blue 'Sign In' button with a right arrow is below the inputs. At the bottom of the card, it says 'Don't have an account? Request access'.

Key Points

- Manage personal preferences and view recent actions.
- Includes usage statistics and active session control.

Admin User Management

Control access and roles.

The image shows a dark-themed login interface for MetricMind. At the top, a navigation bar contains the MetricMind logo, links for Features, Pricing, a settings icon, Login, and a Get Started button. The main content area features a central login card with a blue 'M' logo, the text 'Welcome back', and 'Sign in to your MetricMind workspace'. Below this are input fields for Email (containing 'admin@metricmind.com') and Password (masked with dots). A 'Forgot password?' link is next to the password field. A large blue 'Sign In' button with a right arrow is positioned below the inputs. At the bottom of the card, a link reads 'Don't have an account? Request access'.

Key Points

- Add, edit, or remove users and assign roles.
- Monitors seat usage and security score for admins.

Audit Center

Security and compliance monitoring.

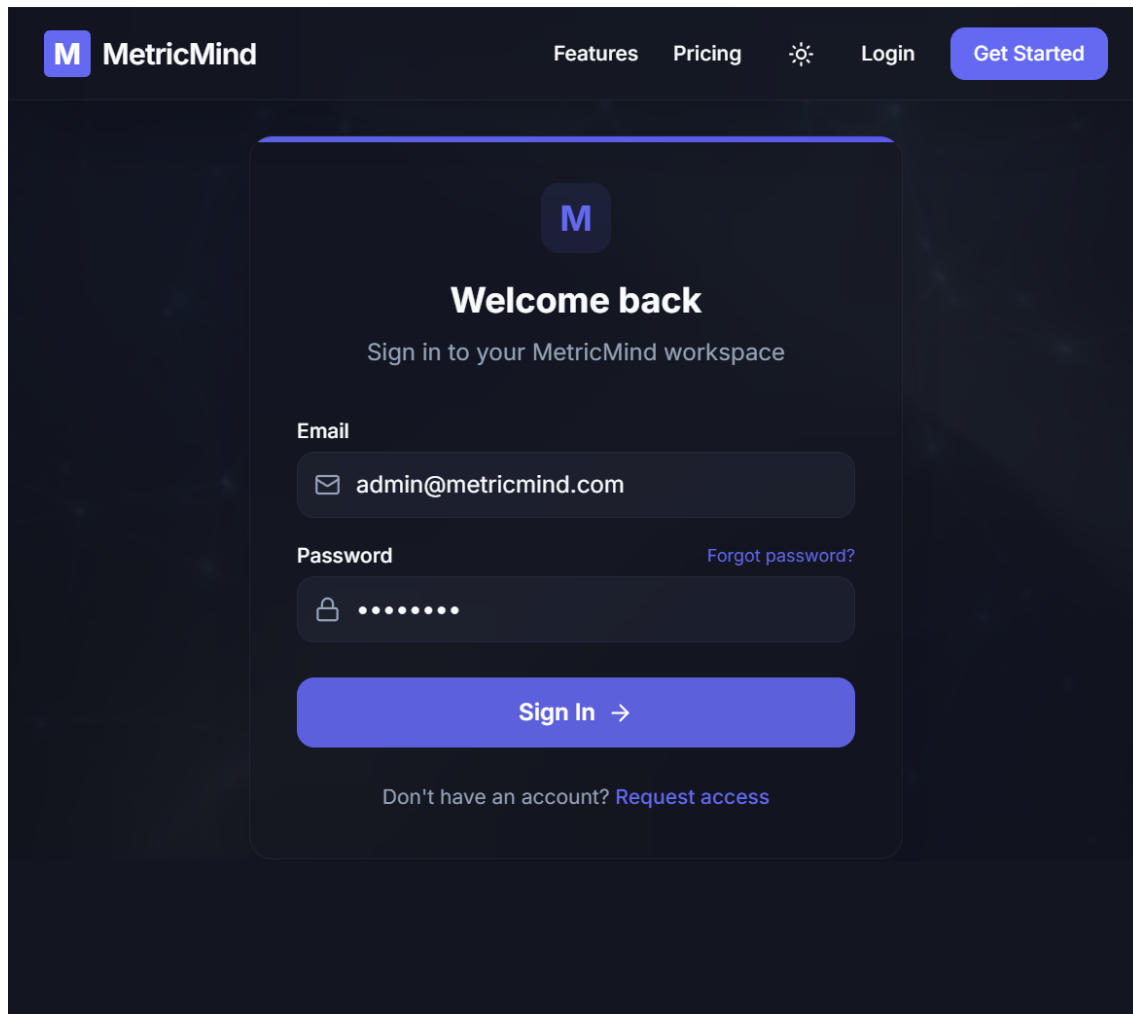

The image shows a login page for MetricMind. At the top, there is a dark blue header with the MetricMind logo (a blue square with a white 'M') on the left, and navigation links for 'Features', 'Pricing', a settings icon, 'Login', and a 'Get Started' button on the right. The main content area has a dark blue background with a central white login card. The card has a blue 'M' logo at the top, followed by the text 'Welcome back' and 'Sign in to your MetricMind workspace'. Below this, there are two input fields: 'Email' with the value 'admin@metricmind.com' and 'Password' with masked characters. A 'Forgot password?' link is next to the password field. A large blue 'Sign In' button with a right arrow is below the fields. At the bottom of the card, it says 'Don't have an account? Request access'.

Key Points

- Tracks login events, failed attempts, and data exports.
- Provides actionable alerts and anomaly charts.

System Settings

Platform configuration and integrations.

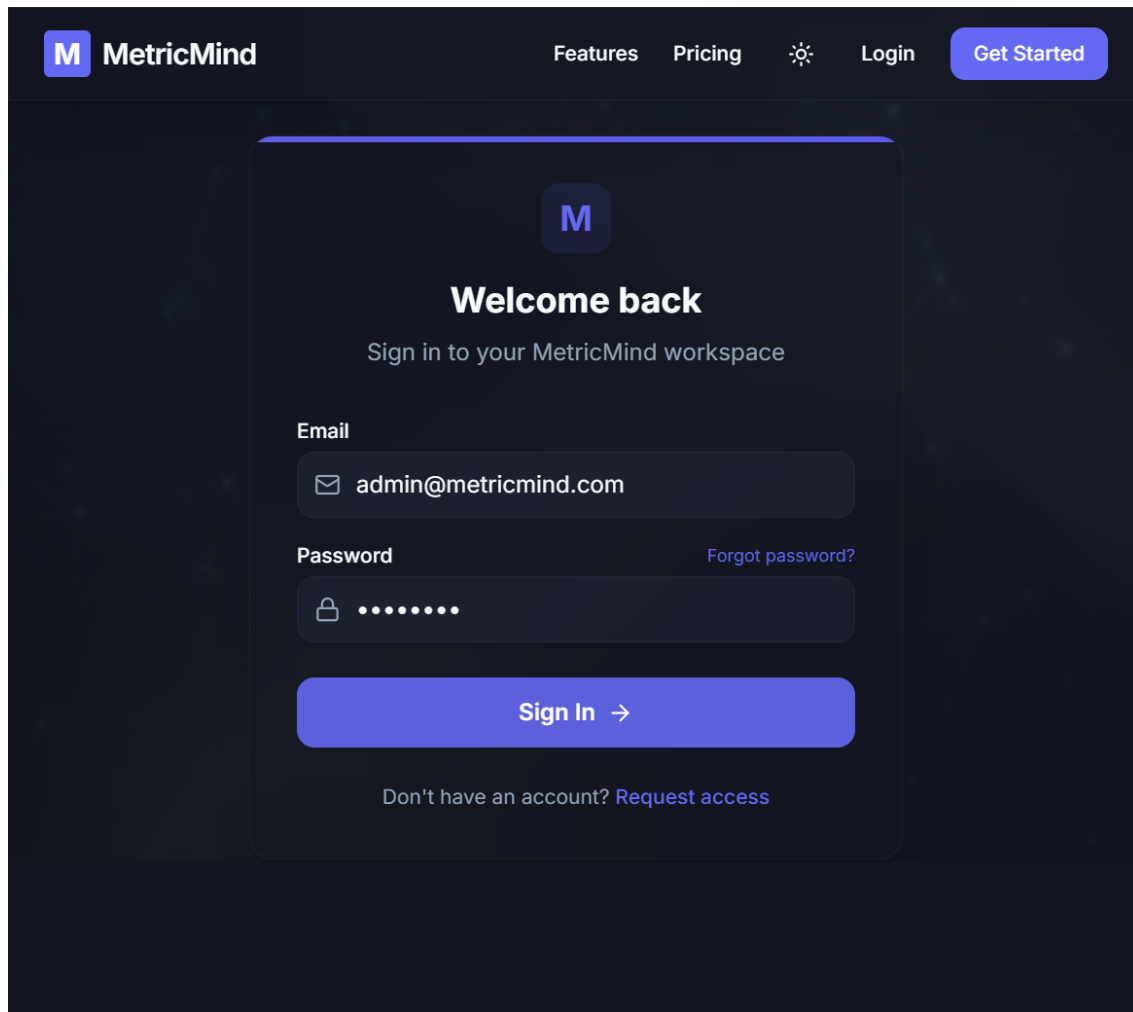

The image shows a login interface for MetricMind. At the top, there is a dark blue header with the MetricMind logo (a blue square with a white 'M') on the left, and navigation links for 'Features', 'Pricing', a settings icon, 'Login', and a 'Get Started' button on the right. The main content area is a dark blue card with a white 'M' logo at the top. Below the logo, it says 'Welcome back' and 'Sign in to your MetricMind workspace'. There are two input fields: 'Email' with the value 'admin@metricmind.com' and 'Password' with masked characters. A 'Forgot password?' link is next to the password field. A large blue 'Sign In' button with a right arrow is below the fields. At the bottom, it says 'Don't have an account? Request access'.

Key Points

- Adjust AI providers, theme, timezone, and system options.
- Manage integrations and view system health status.

System Monitor

Infrastructure health dashboard.

The image shows a login page for 'MetricMind'. At the top, there is a dark navigation bar with the 'MetricMind' logo on the left and links for 'Features', 'Pricing', a settings icon, 'Login', and a 'Get Started' button on the right. The main content area has a dark background with a central white login card. The card features a large 'M' logo at the top, followed by the text 'Welcome back' and 'Sign in to your MetricMind workspace'. Below this are two input fields: 'Email' with the value 'admin@metricmind.com' and 'Password' with masked characters. A 'Forgot password?' link is next to the password field. A large 'Sign In' button with a right arrow is positioned below the fields. At the bottom of the card, there is a link: 'Don't have an account? Request access'.

Key Points

- Monitors CPU, memory, network, and uptime in real time.
- Alerts on system health, storage usage, and worker status.
